

**Attention Sportsmen and Women:**

In the next month there will be three very important meetings for all of you to attend.

**On March 24<sup>th</sup>** at 6pm at the James Williams Middle School in Rhinelander. The Department of Natural Resources is holding a meeting on the status of the deer herd in Oneida and Vilas County.

These units include 29B, 31, 35, 36, 37, and 38. The DNR is looking for your input and will discuss the new deer management boundaries.

I have been told they're willing to listen and make correction to the carrying capacity of the herd in each unit.

This is a very important meeting so please pass the word.

**On March 30** Senator Jim Holperin will be hold a Legislative Deer Hearing at the James William Middle School at 6:30pm.

Mr. Holperin wants to get information from the hunters and what you think about the current status of the herd and how it is being handled.

Mr. Holperin is our elected official and is Chairman of the Natural Resources Commission.

Please take the time to attend and make your feelings known.

**On April 13** the annual DNR and Conservation Congress meeting will be held at the James Williams Middle School at 7pm.

Please show up early as I expect this years meeting to be well attended.
